

Japan Hosted Buyers Program “MEET JAPAN”

Japan offers a diverse and unique selection of world-class meeting venues and cultural experiences, with something new and exciting to discover on every visit. The **MEET JAPAN** program is a hosted buyers’ program for association representatives that gives you an opportunity to discover the diversity of Japan’s convention cities. The main purpose of the MEET JAPAN program is to showcase Japanese cities to international association executives. Attendees will visit participating convention cities and venues on the study tour. Additionally, JNTO also organizes the Japan Convention Trade Mart, give association executives the opportunity to meet with potential partners from other cities.

I. REQUIREMENTS

Applicants must meet the following requirements:

1. You are representing an international conference with a possibility of bidding to convene in Japan within 5 years.
2. The conference has an attendance of more than 200 people (at least 30% from outside of Japan).
*Regarding conference with fewer than 200 people, please contact below for more information.
3. The candidate city from Japan has not yet been decided.
*Priority will go to associations with a Japanese member who is seriously considering hosting the conference.
